## Overview

Part 8 of the ALSSS contained two non-compulsory questions giving students the opportunity to state in their own words what they liked best about their law school and what they would most like to see improved.

A selection of the responses received are included below. Email [contact@survivelaw.com](mailto:contact@survivelaw.com) for more information.

### **Question 41: What do you like best about your law school and why?**

- I enjoy the practical aspect regarding study and that the assessment pieces are directly related to work done in a law firm
- Provides a great opportunity academically and career wise. The university is growing at a rapid rate and constantly expanding for the benefit of all students.
- I like the diverse range of electives available as well as the large number of core theory subjects. I feel they make for a broader education.
- The environment is great to learn in, the teachers are amazing and really ensure we understand what we are learning. Law school its self is a great community and there is so many opportunities for extra curricular activities.
- The lecturers, class sizes and the syllabus are what I like best. The law courses I am taking on this semester I quite enjoy and find interesting, facilitated by the lecturers and tutors as well as the structural aspects.

### **Question 42: What about your law school would you most like to see improved and why?**

- The addition of a law library or law allocated area. Would improve connectivity between students on campus.
- I would like to see a focus on other career pathways.
- More diverse electives so we have more choices
- I would like for the law school to have its own learning and teaching facilities such as computer lab, lecture theatres and tutorial rooms. At present we have classes all over campus.
- More feedback in relation to assessment - what can be done to be improved.
